FAÇADE IMPROVEMENTS

Your Chance to Support Downtown Shenandoah, Inc.

One of the newest façade renovations sponsored by Shenandoah DSI.

DSI has been a positive asset for the community.

DSI has completed ten façade projects in the downtown area, and has applications for three more in the summer.

We need community support.

The façade program has made a remarkable improvement in the downtown. If anyone is interested in a façade project applications available.

Volunteer! Make a donation! Get Involved!

Please contact the DSI office for further information. 462-2060
